About this record

Where Ellie was in the period above, according to the shared calendar: every period in a parent's care, oldest first and numbered through the record, with each parent's overnights, the split between them, and the hand-offs between homes.

Confirmed time is backed by a hand-off a parent confirmed in Kidtime. Scheduled time was planned on the calendar and not confirmed. Totals count both and say how many were confirmed. An overnight is counted for the parent the child was with at midnight.

How this record was made

Kidtime generated this record on Sep 23, 2026, 1:07:42 AM CDT for Morgan Hale, from the records it holds for Hale & Whitaker.

The schedule is the one both parents see in the app. Each hand-off confirmation was made by the parent named on it and stamped by Kidtime's servers at the moment it was made; every change to the schedule is logged in the calendar change record.

Record ID ju0pr90187tysqlcub1js identifies this export. Kidtime keeps the original in the account's Files until it is deleted there; send the Record ID to hello@kidtime.app to confirm whether the original is on file and to compare this copy against it.
